Get involved in the UCSF education community

The annual Education Showcase is the main event for the UCSF education community to support research and innovation in health professions education, and to engage in networking and faculty development.

Keynote Lecture

Visiting from the University of Toronto, Stella Ng, PhD, Director of Research at the Center for Faculty Development, presents “Critically Reflective Practice for a Compassionate Healthcare System” on May 14 at 10:30am.

Panel Discussion

A panel will discuss “Self-care and Compassion in Health Professions Education and Practice” on May 15 at 3:15pm, followed by a reception.

Faculty development and scholarly presentations

Join us for workshops and peer-reviewed oral presentations selected by the Academy of Medical Educators Scholarship Committee. Progress toward your Teach for UCSF certificate with workshops over three days.
