### Agenda

#### Overall objectives

- focusing in on your medium, topic, and theme
- brainstorming ways of making this happen

Time	Item
15'	Check-in: how has everyone been since last you met?
20-40'	Coming to consensus: what prompt, topic, and theme do we want to work on together?
15'	Remember to fit in a BREAK! Stretch, move around a little, shake something ☺
20'	Brainstorming: what initial ideas do we have about making that happen?
15-40'	Integrating and planning: How can we best use the next three meetings to bring our project to life? (take a look at <a href="#">the Handbook</a> for suggestions!) What's a good working title for our project?
15'	Summarize, Plan for next meeting, Check out What has the group agreed upon today? • • Calendar check: Do we all have Saturday, 10/20 on our calendars? What time (2-hour window) and where will we meet? What will we try to accomplish at Meeting 3? • • What do we need to prepare ahead if anything? Check out: Ask each person to say 1. What went well today? 2. What would we like to do differently at the next meeting if anything? 3. What are you grateful to your partners for?
