**April 13, 2017 - Assessment of Teaching**

**Host:** Sheila Brear

---

**May 11, 2017 - Theoretical perspectives for addressing complexity**

**Host:** Judy Bowen

Varpio et al introduce two new theoretical perspectives for addressing complexity: activity theory and knot-working. I suggest you read the Varpio paper first, then the paper by van Horne et al that uses activity theory as the interpretive lens.
