Faculty Development Express

Leaders can help faculty in their department improve their skills in teaching, curriculum development, and learner assessment.

The CFE has resources to help improve educational skills. Often, busy faculty feel they cannot commit to in-depth educational skills workshops.

As a faculty leader, what can you do? Talk with us about organizing a short, focused Faculty Development Express session at a faculty meeting or a retreat.

Contact: Victoria Ruddick, Faculty Development Manager, ruddickv@ucsf.edu. Tel. 415-476-7164.
