

# UC Hydra, Blacklight, Fedora 4 Camp

**Who:** Developers, metadata specialists and managers from UC campuses who are working on, or interested in, the Blacklight/Hydra/Fedora /Portland Common Data Model (PCDM) framework. ([List of Attendees](#))

**What:** Two days of collaboration, sharing, hacking, and brainstorming, with a focus on identifying common goals and shared integration opportunities within the context of our respective projects. Based on the unconference model (for an example, see BarCamp).

**Why:** Community building within the UC Blacklight, Hydra, Fedora 4, PCDM Community.

## Logistics

### Where:

[UC San Diego Library](#), [Seuss Room](#) and [Quince Room](#).

### Lodging:

[Sheraton La Jolla Hotel](#)

**When:** Monday June 15th 11:00am - Tuesday June 16th 5:00pm

## Outcomes

- Form a community of UC staff working on Blacklight, Hydra, Fedora 4, PCDM projects
- Identify areas of collaboration and projects to work on as a community
- Understanding of what's going on on each campus
- Explore potential for sharing services and solutions
