# Medical Education Journal Club

## Upcoming Journal Club Topics and Articles

The Medical Education Journal Club is every 2nd Thursday of the month, noon-1pm. Please note that we will be starting the session at 12:15pm to allow for those attending to have a brief break. If you would like to host a journal club session, contact Maria Pappas (maria.pappas@ucsf.edu).

As a reminder, one article must be from medical education (an annotated bibliography of journals can be found [here](#)). The other article should be from outside medical education. The articles outside medical education generally come from education, psychology, organizational management and sociology.

### How to Join
