# Health Professions Education Journal Club

## Upcoming Journal Club Topics and Articles

The Health Professions Education Journal Club is every 2nd Thursday of the month, noon-1pm. **Please note that we will be starting the session at 12:15pm to allow for those attending to have a brief break.**

If you would like to host a journal club session, contact Maria Pappas (maria.pappas@ucsf.edu).

As a reminder, one article must be from health professions education (an annotated bibliography of journals can be found [here](http://tiny.ucsf.edu/HPEJournalClub)). The other article should be from outside health professions education. The articles outside health professions education generally come from education, psychology, organizational management and sociology.

Please plan to present for 15-20 minutes and leave the remainder of the session for discussion.
